

OMEG Special Seminar
"Hadron Physics and Astrophysics"

DATE: 6(FRI), March 2026

PLACE: Seminar Room (320), Baird Hall, Soongsil University

TIME	TITLE	SPEAKER
Registration (15:40~16:00)		
16:00~16:20 (20 min)	Electroweak form factors of baryons in-medium and in finite nuclei	Gilberto Ramalho (SSU/OMEG)
Coffee Break (10 min)		
16:30~17:10 (40 min)	Feasibility of non-diagonal hard exclusive reactions for exploring hadron resonance structure	Sangyeong Son (SSU/OMEG)
Coffee Break (10 min)		
17:20~18:00 (40 min)	Research Plan at OMEG: From the Early Universe to Laser-Driven Nuclear Reactions	Dukjae Jang (SSU/OMEG)
Dinner Time
